CORVETTE RACING LEGEND RON FELLOWS

Ron Fellows, a charter member of Corvette Racing — multi-time driving champion and class winner in every major long-distance sports car race — established his performance driving school at Spring Mountain in October of 2008. Just as the new Corvette is born of Corvette Racing's successes, so too will you benefit from Ron's precision detailed curriculum helping take your personal driving performance to exhilarating new levels. Precision driving begins here. Register today and take on the driving challenge in one of our Michelin equipped Corvettes.

"It's far more than simply going fast and learning when to turn and apply the throttle."

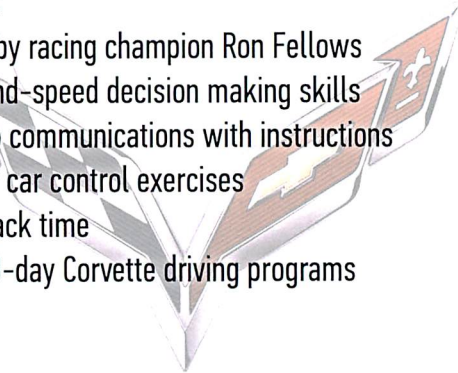

- Ron Fellows
